

Do you want to do business in Sweden as well?

Here are good opportunities to make direct contacts with Swedish companies interested to cooperate with your company!

Export, import, cooperation, joint-venture, development - there are many possibilities!

Micheline Atallah and Tomas Enhager will help you find the right opportunity for you!

Micheline Atallah, born and raised in Lebanon, lives and works in Sweden for 28 years. She has been committed to creating business and development between companies in Lebanon and Sweden during more than 20 years. Thanks to her contacts with authorities and governments in the countries, she has been helping companies to find the right partners.

Tomas Enhager, lecturer in personal development and leadership, has worked with hundreds of companies in Sweden and has contacts in all different industries in Sweden. Tomas has helped and consulted on corporate development and expansion. He will be able to find the right contacts for your benefit.

Please feel free to contact us for more information!
